

# AMERICAN TAXES: TOO MUCH, TOO LITTLE, OR JUST RIGHT?

A majority of Americans feel they are paying too much in federal taxes and fear that others aren't paying enough. Only a few think that their federal taxes are just right.

**6 IN 10** believe their federal taxes are **too high**.

**3 IN 10** feel their federal taxes are **about right**.

**28%** admit to not being honest on their own taxes.

Americans think, on average, that **more than half of filers are not completely honest on their taxes (53%)**.

April 5-11, 2017

NationWise™ is a biweekly online omnibus survey of at least 1,500 demographically-representative adults American adults.
